

## IKV Group Products?

IKV Group have a complete line of lubricants from conventional oils and greases through to specialised and tailor made lubricants. We understand the importance of using the correct lubricant and we like to work closely with the customer to ensure they have the optimum product both from a performance and cost respective point of view.

To follow are a selection of some of the many product ranges within our portfolio:

**IKV-PLEX & LIPLEX**—Lithium & Lithium Complex Greases

**IKV-ALPLEX**—Aluminium Complex greases

**IKV-CAPLEX**—Calcium Greases

**IKV-PLEXBAR**—Barium Greases

**IKV-BESSIL**—Silicone Greases

**IKV-FLUOR & ZAROX**—Perfluorinated PFPE & PTFE Greases

**IKV-TRIBOVIS**—Fastener and threaded component lubricants and coatings

**IKV-RAMCA**— High temperature synthetic chain oils

**IKV-CAMIN**—Very adhesive and anti corrosive-chain oils

**IKV-PROTEC**—Anti corrosive protection films

**IKV-DEMOUL**— release agents for moulding

**IKV-SINCART**—Synthetic oils and greases for use as assembly aids, compatible with rubber and elastomers

**IKV-LUB**—A range of fluids and dispersions of oils/greases in carriers based upon fluorinated and other high tech technologies for use as assembly lubricants and to aid application

**IKV-SOLV**—A range of solvents and cleaners to remove lubricants from substrates or act as a carrier for the lubricant

**IKV-FILMSEC**—a full range of dryfilm and bonded lubricating coatings

**IKV-TRIBOLINE**—special dry film lubricant coatings for Automotive squeaks and rattles

**DUPONT KRYTOX**—IKV Group are distributors for the complete **Krytox** range from Dupont

**BRUGAROLAS**—IKV are the distributors for Brugarolas products including **AGUILA, BESLUX, ATOX, BRADOL, BIOGREASE, DENSOLINA, DIVOL, AIRSINT, ULTRASINT, BESMOLY** etc.

The above are just some of the products within our massive portfolio, other products include:

Aerosols with extension tubes  
 PTFE reinforced greases  
 PAO , PG and Ester Based synthetic greases  
 Polyurea thickened greases  
 Extreme Pressure EP greases  
 High & Low Temperature Greases  
 Water resistant greases  
 Food Grade Lubricants, oils and greases  
 Electrical greases  
 Biodegradeable oils and greases  
 Maintenance lubricants  
 Oxygen compatible greases, pastes and fluids  
**Please contact us for more information or if you require a specific product type that is not listed.**
